Episode:02 the second part

You're not going back to your room, Ayano?
I want to hear advice from you, Jiro-chan...
Hm? But I have zero experience with love, you know.
Well, I'm very honored.
Let's see now...
Even so...
Compared to everyone else, you're always so cool and composed. And you're good at studying too.
You've always taught me what's right and wrong...

I don't think whether or not your love comes to fruition is the meaning of romance.
Well...
polishing up yourself to appeal to them,
trying your best to get your feelings across to them,
Feeling attracted to another person,
Everything you say, Jiro-chan, always feels so reliable.
Really?
But someone who tried their best still looks better than someone who didn't, don't you agree?
Just because you tried your best doesn't necessarily means that it will pay off.

Well, even so I've always loved miracles.
Even though we live out our normal days peacefully, to say that we continue living so that something overwhelmingly extraordinary could happen, is not exactly an exaggeration either.
A miracle, huh... that must be nice.
For the right person to just show up beside me.
Yeah, must be nice...

I just wish
that things could go back like they were before.
That guy
he would have to be rejected by every other girl in the world
before he noticed my feelings for him.
I just can't get my feelings through to him.
Even now, after all this time, I just want to give up.
I really hate that I'm thinking this way right now.

Both good things and bad things.
pat pat
When you like someone, of course you're gonna start thinking about them a lot.
You're not alone in this at all, Ayano.
Your feelings start going around in circles when you think about someone you like, that's all.
Something like that is entirely normal.
GUH
Squeeze
I said really..
Actually really?
Absolutely actually really?
Really?
Really.

Pah
HUFF
HUFF
Thank god...
Is that so...
Squeeze
Jiro-chan.
Thanks a lot

I'm off!
Alright
So...
how did things turn out?
You're awfully calm about this...
Well, it doesn't seem like she's sad anymore, so that's good.
slam
This brat that she likes, do I know him...?
Grrrrr...
I'm gonna kill him when I see him...
And this is why we don't tell love stories at home!

Kyoo
Kyoo
She's a lot more girly than I thought!
I was getting a bit worried since she was raised by a bunch of dudes~
I know right? But a gorilla can still love, you know.
Jokes aside,
I'm kinda relieved now.
And what did she mean by "I kicked a ball to his face"?
She talks like a guy too~
No, that depends on who she's talking to.
She doesn't talk like that with me at all.
You two are bad influences, that's why.
You serious? Why!?

That's for her to decide on her own.
So if we talk politely around her...
Then Ayano will be like that too...?
A bit too late...?
She's become such a splendid girl.
Way more than what we could have ever hoped for, right?
...I guess that's true.
Now, we should get going as well.
Crap, I have classes today!
You can still make it to school
but I'm late for work...!
Bye...

step
Ayano...

This may seem out of the blue...
But what kind of girl do you like, big bro Ichi?
Me?
Well~
For now, I like cute and kind girls~
shine
Ehe
The kind of girls I would want to protect, I guess?
What? Are you being serious right now?
I like strong and independent girls.
Someone dependable and hard-working.
Sparkle
You have no sense in women at all...

How about you, Jirou!?
Me?
My preference?
Hmm mm...
.....
A normal girl. I guess...
THE HECK IS THAT...

It's Not Like I Don't Want To Love
